Buona Vita Pizzeria is a family owned and operated business. The stone oven is the heart of our kitchen where the pizzas and calzones are cooked at 650 degrees. All of the pizzas are homemade authentic Italian style thin crust, using locally grown specially blended flour.

Each pizza dough ball is hand rolled, made fresh daily and no matter the shape, the dough ball is weighed evenly and consistently. The pizzas, calzones, and sandwiches are made to order, never pre-cooked. From start to finish, our hard work is a labor of love that provides great authentic homemade flavors and taste at a great price!

It contains less butterfat than American style ice cream. Gelato also has less air and is less frozen than ice cream. Our brother Nick has taken a family recipe passed from our cousin Ralph in our family's hometown, Fuscaldè, Italy and perfected it. Ask about our flavors as Nikki changes them with the seasons. Each cup of Gelato is served with three scoops and a pizzelle.
